AIR FREIGHT RATES TO MALE'

VALID UNTIL: 1st June 2026 – 31st June 2026

*** Important Note:** Airline Charges are based on per kg of Chargeable weight. Chargeable weight is higher of the Actual vs Volumetric Weight of the Box. Eg. If your box is 5kg and size 30x40x40cm.

Actual Weight = 5kg and Volumetric weight = $(30 \times 40 \times 40 / 6000) = 8\text{kg}$

Airline will charge based on the higher one which is 8kg Chargeable weight.

*** Important:** Take note items like battery, compressed cans, and certain liquid items are not allowed for Air Freight

Maldives Customs Charges	Maldives Customs Charges if any will be billed to customers. We will charge same as what Maldives Customs Charges for your cargo items. Customs Duty Details (Forms) will be provided upon request.	We will provide Shipping Documents under your Personal name or Company Name. Customs Duty depends on type of cargo and consignee type. Please talk to your clearing Agents on this.
About Customs Charges	Since parcel rate all cargo are imported under our Maldives company name, we need to declare all items to Maldives Customs. Hence Duty charges will apply for all those items which incur duty. To find more if your items will incur duty can visit https://www.customs.gov.mv/eServices/findtariff	# Personal duty allowances are allowed for personal use items brought under own name. # If customs deem items are for business purposes and items are under personal name then customs can charge extra charges. # Items for Business purposes we advice to bring under a Registered Business name. # Please talk to your clearing agent to decide which is the best option for your cargo and inform us how to prepare the shipping documents.
